Discussants

Maryland Higher Education Commission (MHEC)

- MHEC is the State of Maryland's **higher education coordinating board** responsible for establishing statewide policies for Maryland **public and private colleges and universities and for-profit career schools**. MHEC also administers **state financial aid programs** that affect students on a statewide basis.

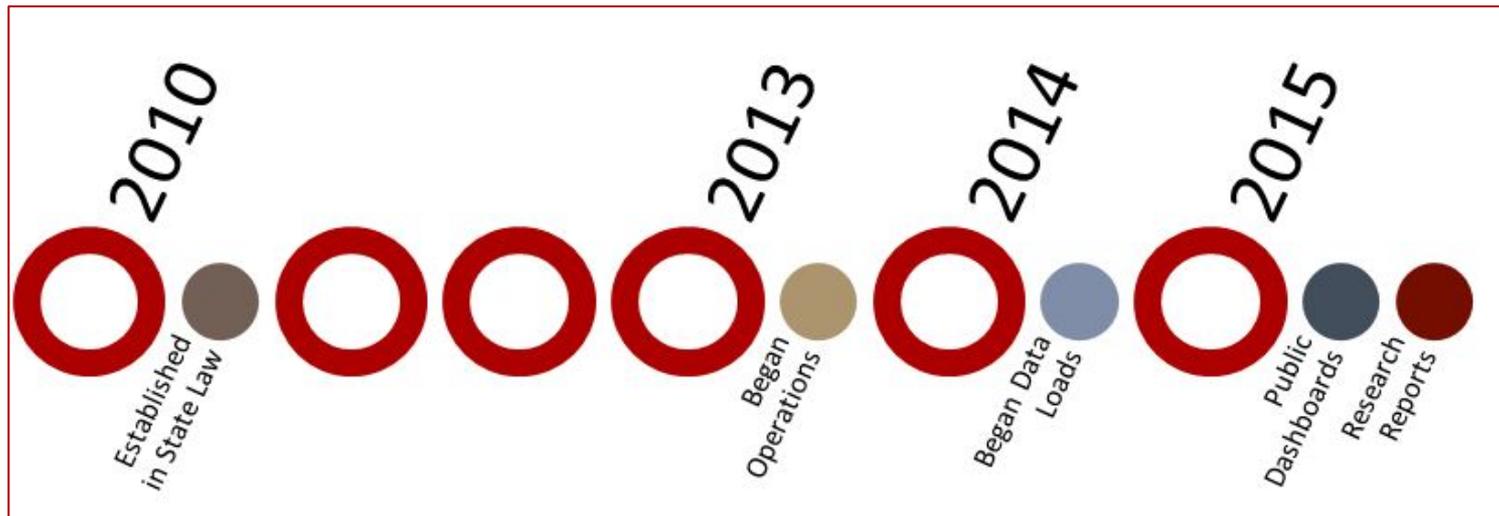

Maryland Association of Community Colleges (MACC)

- MACC is the unified voice for **Maryland's 16 community colleges**. Since its founding in 1992, the Association has worked with businesses, communities, government, and other organizations to **improve student success, provide job training, and promote economic development** across the state.

Overview

Maryland Longitudinal Data System Center (MLDSC)

- Use the system to generate timely and accurate information about **student performance** that can be used to **improve the State's education system** and guide decision makers at all levels.
